

IP20 24V COB Seamless LED Strip Light | 4.5W per Metre

Overview

The StripTec IP20 24V Essential COB LED Strip Light offers seamless, flicker-free illumination. At just 4.5W per metre, it delivers up to 450 lumens per metre with exceptional efficiency. Ideal for indoor applications such as ambient, feature, and display lighting.

Feature	Specification
Voltage	24V DC
Power Consumption	4.5W per metre
Luminous Output	Up to 450 lm/m
LED Density	320 LEDs/m
Colour Rendering Index (CRI)	90
Beam Angle	180°
Cut Points	Every 50mm
Colour Temperatures	2700K / 3000K / 4000K
IP Rating	IP20 (Indoor use only)
Maximum Run Length	10 metres

Dimming	Compatible with PWM, RF, Bluetooth, 0–10V, Triac, DALI, DMX, Wi-Fi
Warranty	3 Years

Installation

Mount inside aluminium profiles for optimal heat dissipation and professional finish. Use a compatible 24V constant voltage driver. Cut only at designated 50mm points. Ensure proper ventilation and maintain an operating temperature between -20°C to +45°C.

Applications

- Cove and ceiling lighting
 - Under-cabinet and shelving illumination
 - Retail displays and hospitality environments
 - Linear architectural or ambient designs
-
